BUCKETS

Rust Transform Paint

44 lbs

\$200.00

- * Transforms, converts and replaces existing rust with a dark protective barrier. Prevents future corrosion.
- * Forms a durable protective barrier. Locks out moisture from rain and snow. Protects iron and metal surfaces.
- * Non-toxic and fumeless. Paintable when fully cured.
- * Easy application with roller, brush or airless sprayer.
- * Covers 2000 sq ft

Flexible Slurry

44 lbs

\$150.00

- * Forms a continuous barrier with exceptional adhesion and reduces crack transmission for all surfaces.
- * Can be applied on Concrete, Wood, Stone, Tiles, Metal Aluminum, Interior/Exterior Cladding, and ICF Blocks
- * For interior, exterior, fully submerged in water and below grade applications.
- * Easy application with roller, brush or airless sprayer.
- * Covers 290 sq ft - double coat recommended.

Thermal Insulation

44 lbs

\$150.00

- * Thermal insulating coating is a liquid suitable for application to a surface, that dries or cures to simultaneously form a protective finish and provide resistance to heat flow.
- * Retains heat over twice as long as ordinary emulsion paint.
- * An airless sprayer is the best method for application of the coating.
- * Covers 430 sq ft
